R.C.No.6886.X3/56 dated 18-5-56.

Sub:- Education . Fisheries School at Yermal (Zada) in South Kanara District - Additional Accomodation providing of - sanction requested.

.....

1 The Fisheries Elementary School at Yermal (Zada) in the South Kanara District is being housed in a rented building. This building provides accommodation for 125 pupils excluding the portico and Verandha. The present strength of the school is 174, the average attendance being 170. The accommodation available is therefore not sufficient for the school.

P011-12y (9) 2 In G.O.Ms.No.2794 Agriculture dated 1-12-55 sanction has been accorded for raising the school into a Higher Elementary one and for opening of standared VI in 1956-57. In the ordinary course standards VII and VIII will be opened in June 1957 and June 1958 respectively. When these classes are opened the strength is likely to be raised to 275. The school is therefore in need of additional accommodation for 150 pupils more.

3 The Asst. Director of Fisheries, Mangalore reports that the owners of the school building have agreed in writing to provide the additional accommodation for 150 school places more and receive the rent fixed by the P. W.D. A rent of Rs.40/- P.M. is being paid to the present school building as per sanction accorded in G.O. Ms.No. 3609 Development dated 11-9-50.

4 I therefore request that Government may be pleased to permit the owners of Yermal Fisheries School building to construct an additional building with 150 school places on the assurance of the rent fixed by the P.W.D. being paid.
